

# Preserve Glamour, Excitement & Friendship

Beauty takes work. Days spent selecting the perfect swimsuit, evening gown, and opening number outfits. And there's the fittings, finding the perfect hair, makeup, shoes and more. Accompanied by months of training and exercise. All for a few glamorous moments on stage. That's show business!

Unfortunately contestant's can't see themselves looking gorgeous onstage.

That's why our photography is the perfect way to preserve and share those moments with your contestant, family and friends.

Pageant Photography specializes in documentary photography that captures the glamour, excitement, and friendship from three extraordinary days of preparation and competition.

To preserve beauty, glamour, and friendship, just return your order to us and you'll receive photographs to treasure for a lifetime.
